Hospice of Southern Maine continues to follow CDC COVID-19 guidelines to help prevent the spread of COVID-19.

At this time, visitors are required to screen and mask while at the Gosnell Memorial Hospice House or our main office. Visitors of patients with COVID-19 at Gosnell are required to wear an N95 or KN95 mask, which we will provide.

Screening questions include whether the visitor has COVID-19, is being tested for COVID-19, had recent contact with someone with COVID-19, or has symptoms of COVID-19.

We appreciate your cooperation to help protect the safety of our employees, volunteers, patients, and visitors.
