

YOUR ENROLLMENT AS A VOTER

When you register to vote, you may choose to enroll in a political party or political designation or may choose to remain “Unenrolled,” which is commonly referred to as independent.

Choosing to Enroll in a Political Party: The current recognized political parties in Massachusetts are:

Democratic Party	(D)	(617) 939-0800
Republican Party	(R)	(617) 523-5005

If you enroll in any of the above parties, you may vote only in that party’s primary. Enrollment in a political party does not affect your right to vote in the general election. In the general election, all voters receive the same ballot and vote for the candidate of their choice, regardless of party enrollment.

Choosing No Enrollment: If you do not wish to enroll in any party or political designation, choose “No Party (Unenrolled)” on the voter registration form. This is commonly referred to as “independent.”

If you do not enroll in a party, you are still eligible to vote in state and presidential primaries by choosing a party ballot. You will remain Unenrolled after voting in a primary.

Choosing to Enroll in a Political Designation: In addition to the political parties listed above, there are certain legal political designations in which you can enroll. Currently these are:
