Re: SNOW PLOWING APPLICATION

Attached please find this year's snow plowing application, W9 form and rate sheet.

You must return all forms, including a copy of your current registration and insurance policy, for **each** vehicle you plan on using. We cannot allow any contractor to begin salting or plowing until these forms are **completed in full**. Please return to Paul Lavery (plavery@revere.org) by November 1st.

Sincerely yours,

Paul V. Argenzio
