Agenda

- ☐ Review - Special Town Meeting
 - ☐ Lisa Miller & Lise Bofinger are planning to talk with Mr Latham, the owner of the Chicken Coop property to attempt to reach a property line agreement.
 - ☐ I stressed the point that our goal was to complete this project without affecting taxes.
 - ☐ There were questions about the cost of maintenance, who would perform it, and what it would cost. We need to have those answers for the Town Meeting in March.
 - ☐ Bottom line, I sensed support as long as it did not cost money!
- ☐ [Catalyst Program](#) - "The Catalyst Program is NBRC's flagship competitive grant program, formerly known as the State Economic & Infrastructure Development (SEID) program. Through Catalyst, NBRC invests in state economic development priorities to support a broad range of initiatives that modernize and expand the Northern Border region's basic infrastructure and revitalize communities to support and attract the region's workforce."
 - ☐ This looks like an excellent source for our matching funds - I just found it, and it needs someone to dig in - ASAP.
- ☐ [Land & Water Conservation Fund](#) - it is time to start getting serious with this paperwork.
- ☐ Additionally, we need to start targeting community members who can provide in-kind donations of labor, materials, or expertise.
- ☐ We need to make sure we have done everything we can to inform the voting members of our community about the project's positive aspects in preparation for the Town Meeting in March.
