Important Next Steps:

- Organize an informational letter and meeting for all town residents within ¼ (+/-) mile of the current tennis courts. - We have decided that it would be better to open this up to everyone in town. We have a letter that Nancy wrote this summer that we can use.
- Find our group of strong supporters so we know who to turn to when we need help.
- Determine how to build support among folks interested in breathing renewed life into the center of town.
- Make sure we are including enough factions to bring interest to this project
 - Tennis players
 - Pickleball players
 - Basketball Players
 - ??? Who are we missing
- Who are our nay-sayers and how can we try to win them over? With a positive message.
