WEATHER CANCELLATION POLICY

STORM CLOSINGS AND DELAYS

All Y Locations: YMCA, Y at CMCC, & Daisy Garden

In the event that inclement weather forces us to delay opening, close early, or close altogether, our policy is as follows:

- Closing or delay information will always be posted on our website (www.alyymca.org), mobile app, social media (Facebook & Twitter), and Channels 6, 8 and 13.
- A delay means the Y will open at 9:00 a.m. unless stated otherwise.
- If either Auburn or Lewiston school systems have "in person schooling", then the Y will be open with a possible delay.
- If BOTH Auburn and Lewiston school systems cancel "in person schooling" [even if the kids still have remote learning], and the Y has not been closed, then there will be no morning programs. The fitness center, child care, and school age will be open, but no classes until Noon.
 - Please note that there is no "on campus" or "in person" schooling on Wednesdays, as well as scheduled "no school" days (i.e. Winter Break). In these situations we'll be making a decision as an organization relative to Y closings, delays, or cancellation of programming.
- If necessary, a decision on mid-day programs/classes will be made at 10:00 a.m. and evening cancellations will be made at 2:00 p.m. Depending on the forecast, we may make the decision to delay or close the day before.

Early morning programs & group exercise:

We will always do our best to inform members before we open if there are any cancellations/closures/delays, however, please understand early morning instructors may not be able to get here if there is inclement weather and early morning programs may be canceled. When in doubt, please stay safe!
