Business After Hours

The Ski Museum of Maine and the Herbert Grand Hotel with the new McGregor’s Pub in Kingfield was the place to be Thursday April 19th! We had over 50 people turn out to support these fantastic Franklin County Chamber of Commerce members! Our Business After Hours events have been very successful and increasing in attendance. This was our first BAH in Kingfield and we were pleasantly surprised at the support! Thank you to those who attended!! Gerry Thompson spoke on behalf of the Ski Museum of Maine and Dawn Sova represented McGregor’s Pub.

Member Spotlight: Bass Point Cottages

Bass Point Cottages located on Wilson Lake has been a very well-kept secret. It was originally owned by the Bass family, with each sibling maintaining their own cottage, 5 in total. Bass Point Cottages – A Maine Destination Location was purchased by the St. Pierre family in 2007. This was the beginning of another family adventure. This local family has many ties to local business. For the past 11 years the St. Pierre family has been host to many other families from all over to help them make lasting memories here in Maine.

Most recently the family has decided to offer a venue location here at Bass Point Cottages to share their love of the property by hosting weddings, retreats and events at their location. There are sweeping waterfront views and it is a very convenient location. Bass Point Cottages is the ideal place for your special occasion, wedding or other event. The picturesque property is situated on the Point of Wilson Lake and boasts views of the mountains. The panoramic views establish the perfect backdrop, particularly for your wedding
